VOLUME XXXIII

NUMBER 1

Entered as Second Class Matter February 21, 1928, at postoffice,
Jackson, Tennessee, under Act of August 12, 1912.

"Education, even higher education, is no guarantee of human betterment. It turns on the credo which constitutes the core of its curriculum and life. The quality of educational ends is the decisive thing." —Glenn Olds

AIMS

The general aim of Lambuth College is to develop in its students personalities capable of participating in life and of making their maximum contribution to life.

More specifically, Lambuth College aims:

To enable its students to understand and appreciate more fully the physical universe in which they live and to relate themselves properly to it;

To give them an appreciation of the contributions of the past to the present and to put them into possession of some of the cultural and spiritual heritage of the race;

To give them a sense of social responsibility and to enable them to identify their good with that of the social organism;

To enlarge their conception of God and of religion, and to make them more intelligent, useful, and devoted Christians.

"Finally, brethren, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is lovely, whatever is gracious, if there is any excellence, if there is anything worthy of praise, think about these things." Phil. 4:8

Part I

Admission and Graduation Requirements

Lambuth College admits students who are qualified by intellect, emotional and physical health, previous training, and character to do creditable college work and who manifest a disposition to support its ideals and objectives. Those who, in the judgment of the Committee on Admissions, are thus qualified and disposed will find a hearty welcome into the Lambuth student body and a friendliness conducive to abundant living and worthy achievement.

Students are held responsible for acquainting themselves with the requirements for graduation and for arranging their courses of study accordingly. The Dean-Registrar, and faculty advisers will gladly assist in every way possible, but the final responsibility for including in his program of studies all requirements for the degree rests upon the individual student.

Attendance at Lambuth is a privilege which may be forfeited at any time by any student who refuses or fails to conform to its regulations and standards.

HOW TO APPLY FOR ADMISSION

All students should apply for admission as far in advance of the opening of the College as practicable, particularly if housing accommodations on the campus are desired.

It is not necessary that one should have finished high school before making application for admission to Lambuth; a transcript showing credits earned at the time of applying may be followed later by a supplementary transcript showing the completion of his work.

All students not enrolled in Lambuth College during the preceding regular semester must apply to the Admissions Committee and be accepted before registering for the next scholastic year.

Following is an outline of suggested procedure:

1. Request application forms.
2. Fill out the forms and return them promptly.
3. Have high school principal and/or college registrar send directly to Lambuth an official transcript of credits.
4. Make room reservation deposit of \$10, which will be credited on the student's first payment. The deposit will be returned if the room is given up before July 1, or if entrance credits are found to be deficient. Reservation deposits made after July 1 will not be refunded.
5. Send all requests, transcripts, and room reservation deposits to

Director of Admissions,
Lambuth College,
Jackson, Tennessee

REQUIREMENTS FOR ADMISSION

Freshmen. For admission to the freshmen class the College requires that a student offer graduation from an approved secondary school with the minimum of fifteen acceptable units or the equivalent of this requirement as shown by examination. Of the fifteen units required, three shall be in English. These requirements are supplemented by the taking of an aptitude test, the providing of a health history and letters of recommendation and by being approved by the Admissions Committee.

Part-Time Students. A part-time student is one who has met all entrance requirements but who is enrolled for less than twelve credit hours per semester.

Special Students. Persons twenty-one years of age and over who cannot offer the required number of units for admission may register as special students for such courses as entrance tests show they are able to pursue with profit. All entrance requirements must be fully met, however, before special students may enter courses in the upper-division or become candidates for graduation.

Transfer Students. A student transferring from another institution must present the same materials as an entering freshman, as well as an official transcript of his previous college record, together with a statement of honorable dismissal from the institution last attended. The transcript must show that he made a "C" average on all his work, if it is to be accepted at full value. Otherwise, hours in courses with grades below "C" will be disregarded.

Transfer students must earn an average grade of "C" on all work carried at Lambuth College in order to be eligible for graduation. Excess quality points earned on work taken elsewhere will not be allowed to make up for a deficiency in quality points on work taken at Lambuth College.

The maximum amount of credit that will be allowed for work done in a junior college is ninety-six quarter hours or sixty-four semester hours.

The Junior English Qualifying Examination requirement applies also to transfers who desire to enter the upper division.

Transfer students must remain two semesters in residence and complete at least thirty semester hours including six hours in the major field and a seminar.

Health Program. Each applicant for admission is required to submit a health history on a form furnished by the College. Routine physical examinations, under the supervision of the College Physician, will be given near the beginning of each scholastic year. These are required of all full-time students.

Lambuth is concerned that each student should safeguard his health and promote his physical development. Through its Department of Health and Physical Education, its intramural sports program, its recreational facilities, and its care of the student in case of illness, the College contributes systematically and regularly to this end. Infirmary service is provided in each dormitory for students with minor ailments. In case of illness requiring the attention of a physician, surgeon, or other specialist or the care of a hospital, such service is available at the student's expense.

Aptitude Tests. Another requirement for the admission of freshmen and transfers from other colleges is the taking of certain tests to measure aptitude for college work. These tests are offered for the student's convenience at several times during the months preceding the opening of the College in September. Any student planning to apply for admission should take the tests as early as practicable.

Admission of Ex-Service Personnel. Veterans who did not complete their high school work before entering the armed forces may be admitted upon attaining a satisfactory score on the college aptitude test and upon demonstrating through objective tests a mastery of fundamental subjects. In some cases a veteran may be able to get a high school diploma by passing the General Education Tests administered by a branch of the armed services or by a local board of education. Such a diploma, along with the actual grades made on the General Education Tests (college level), may prove the applicant's fitness for college. Prospective students in the above category are invited to consult the Director of Admissions about the details of procedure.

ORIENTATION

Fall Camp for New Students. The college administration, in co-operation with the Student Body Association, sponsors a three-day camp at Lakeshore Camp, Eva, Tennessee for all new students. Its purpose is to provide opportunity to become acquainted with classmates, upper-classmen, and faculty; to obtain an understanding of college aims, organizations, customs, and

privileges; and, in general, to prepare new students for life at Lambuth. The camp is equipped for friendly, informal living, recreation, and group meetings.

Each camper is expected to bring towels, blankets, bed linen, and clothing suitable for camp life, including swimming, if desired. Those registering for the 1957 camp will either go directly to the camp in time for lunch at 12:30 p. m., Monday, September 9, or to the College in time for departure at 10:00 a. m. for Lakeshore. Transportation will be furnished by the College for those who need it. The camp closes Wednesday morning, September 11. The total fee for the camp, including meals, is \$5.00 for each student.

Although not compulsory, attendance at this camp is highly recommended and should prove a good investment.

Campers who desire to occupy their dormitory rooms Sunday afternoon or evening before going to camp will be admitted to their rooms between 4:00 p. m. and 10:00 p. m., September 8, subject to established dormitory regulations.

Campers who desire to deposit baggage, books, or other belongings in their rooms at the College will be allowed to do so between 8 a. m. and 10 a. m., Monday, September 9.

No meals will be served on the campus before noon, Wednesday, September 11.

Orientation Program. Immediately following the camp each new student is assigned to a faculty adviser, who aids in registration and counseling during the entire first year.

REGULATIONS AND STANDARDS

Registration. The days set aside for regular registration are indicated in the college calendar near the beginning of the catalogue. Students registering at other times will pay an additional fee of \$5.00.

Minimum Registration. The College reserves the right to withdraw from its offerings a course when fewer than five persons register for it.

Course Changes. Within the period where full registration is permitted, the student may make changes in his schedule. After two weeks of instruction, counting the first day, a student continues in a given course without drop or change, for course alteration has been found to lead in many cases to difficulties in planning for graduation. In some cases, depending on

the outside activities of the student, his hour load may be lightened after the two weeks' period. Required courses will be continued, and only in exceptional cases will students be allowed to drop these courses to take them up at a later time. Charges involved in course changes are found on pp. 19-23.

Classification of Students. The student may be regularly classified after his secondary school or college record has been accepted.

Normal progress in the College requires that a student carry 32 semester hours each year and earn an equal number of quality points. For convenience in administration all regular students are classified early in the first semester according to the following standards:

FRESHMEN: Those who have completed fewer than 28 semester hours.

SOPHOMORES: Those who have completed 28 semester hours.

JUNIORS: Those who have completed 64 semester hours, with a "C" average on all credit hours carrying quality points.

SENIORS: Those who have completed 92 semester hours, with a "C" average on all credit hours carrying quality points, and satisfactorily passed the Junior English Qualifying Examination or completed English 301.

Examinations, Regular. Regular examinations are held during the closing week of each semester. In determining the standing of a student in any subject the daily class work counts as five-sixth and the examination grade as one-sixth.

Examinations, Special. The lowest passing grade in any course is D. A student who makes less than D on any course due to final examination failure is permitted one special examination, if taken within the next semester of the student's enrollment at Lambuth College. Failing to pass the special examination, he is required to repeat the course. A student willfully absenting himself from a regular examination will be given a special examination only by permission of the faculty. Request for this privilege must be made in writing, the cause of absence specified, and a fee of one dollar paid.

No examination will be given on work that has not been taken regularly in class.

Grading. The following grades are given:

Grade	Explanation	Quality Points per Hour
A.....	excellent	3
B.....	good	2
C.....	average	1
D.....	poor	0
F.....	failure	0
I.....	incomplete	0
Dpd P.....	dropped passing	0
Dpd F.....	dropped failing	0
S.....	satisfactory	0
U.....	unsatisfactory	0
W.....	withdrawn	0
F Dpd.....	failure, dropped by College	0

A student making "I" will be given the following semester of the student's enrollment at Lambuth College to remove the condition. Instructors turning in to the Registrar's office a grade of "I" must file with the report of the grade a written statement of the work required to remove the condition.

In reporting students who drop courses after the last day for full registration, instructors will indicate the character of work done by the student up to that point by the use of the grade "Dpd P" or "Dpd F".

Reports. A report of the standing of each student is made to the parents or guardian each semester, and a duplicate of this report is furnished the student.

A four-week report of unsatisfactory progress for all new students, freshmen and transfer, will be made during the first semester of attendance. This report will be sent from the Registrar's office to faculty advisers. Students should ask their advisers for this information.

Mid-semester reports are made to parents or guardians of students whose work in the first half of the semester seems to the instructor to be unsatisfactory. Parents or guardians who do not receive reports to the contrary may assume that their sons or daughters appear to be doing satisfactory work. Failure to receive such a report, however, is not to be interpreted as assurance or guarantee that the son or daughter will make a passing grade in every course.

Quality Points. For a course carried throughout a semester with a grade of "A," three (3) quality points per semester hour will be awarded; for a grade of "B," two (2) quality points; for a grade of "C," one (1) quality point.

The ratio of hours of credit and quality points is called point average. A student's point average is determined by dividing the number of quality points earned, by the number of hours carrying quality points attempted. A "C" average is the equivalent of a point average of 1.00.

Students who maintain a point average of 2.125 throughout their college course will receive their degrees **cum laude**; those who maintain a point average of 2.5 will receive their degrees **magna cum laude**; and those who maintain a point average of 2.875 will receive their degrees **summa cum laude**. To be eligible for a degree with honors, the student must have earned all his credits in Lambuth College.

Maximum and Minimum Number of Hours. Sixteen hours per semester constitute a normal amount of work for a student. The amount of work a student may carry in excess of sixteen hours depends on the quality of work he does and the number of extra-curricular activities in which he engages. The authority to enroll a student for more than a normal load is vested in the Dean-Registrar.

Class Attendance:

1. Students are responsible for all work beginning with the first meeting of the class.
2. A student reported absent from more than twice the number of class meetings per week will be dropped from the course with grade of "F Dropped".
3. Authorized absences of a student when representing the college will not be included in the number of absences which might cause a student to be dropped from a course.
4. Three tardies in a course will constitute an absence.
5. If the absences are unavoidable, the student with permission may re-enter a course from which he has been dropped.

Chapel Attendance:

1. For each three unauthorized absences from chapel a student will lose one semester hour of his credit.
2. If the absences are unavoidable, the student with permission may recover his credit. This provision is possible only when arrangements are made prior to the last full day of classes in the semester when the absences have occurred.

Home Visits. Students are advised to limit disruptions of the continuity of their studies to the minimum. Parents are urged not to encourage too frequent home visits. The continuity so essential for progress in academic work may be adversely affected. For this reason the cooperation of parents in this matter is asked.

Dean's List. Honor students are recognized by having their names appear on the Dean's List. Students taking 12 semester hours or more and earning a point average of 2.125 or above are placed on the Dean's List.

Scholastic Probation. Any student passing fewer than 12 hours of work in any semester, or any student not passing all his work if taking fewer than 12 hours, will be placed on scholastic probation for the following semester. Should a student fail to pass the required amount of work during the semester he is on probation he may be asked to remain out of college for a semester or longer. The Admissions Committee must consider the re-admission of all students returning to college on scholastic probation.

Less than "C" Average. Since graduation requirements involve credit hours and quality points, it is important for each student to be aware of his cumulative point average. Notices are sent at the end of each semester to students whose point average is less than 1.00.

At the end of each school year the Admissions Committee will review the cases of students with low cumulative point averages. The cases of freshmen with less than .25, sophomores with less than .50, juniors with less than .75 and seniors with less than 1.00, will be studied by the Committee for the purpose of determining whether or not they will be permitted to continue in college.

Withdrawal. Once registered, a person is considered a student, unless prior to his departure he files with the Dean-Registrar a written request to withdraw. The grade of "F Dropped" will be given to each course for which he is registered unless the withdrawal is official.

Secret Marriages. Because of its responsibility to parents and to students, and for other reasons, the College does not sanction secret marriages. Secret marriages will be grounds for being asked to withdraw.

Smoking. Smoking is prohibited in all classrooms, second floor of Student Building, playing and bleacher areas of Physical Education Building, Chapel-Fine Arts Building, and in all parts of the Administration Building except the rest rooms on the second and third floors.

Athletics. A program of athletics is offered by the Department of Health and Physical Education. Included in the list of intercollegiate sports are men's basketball, baseball, men's and women's tennis, golf, and track. The intra-mural program includes not only these sports, but also women's basketball, softball, and volleyball.

No financial inducements of any kind are used to influence students to participate in any intercollegiate sport. All students are encouraged to take part in some form of athletics because of the physical, mental, and social benefits they may derive from such participation. The college authorities believe that wholesome recreational activities play an important part in a student's education.

Participation in Student Activities. Students will be checked on grades at the middle and end of each semester. No student passing fewer than twelve hours may represent the college in any public activity.

Transcript of Record. Each student may receive two copies of his transcript without charge. For each additional copy one dollar is charged. However, no transcript is furnished until the student has paid his account, or made satisfactory arrangements for its settlement.

Chapel Attendance. A brief chapel service is held three times a week in the College Chapel. Attendance is compulsory. On Monday and Wednesday the president and members of the faculty have the responsibility for the programs; on Friday the students.

Church Attendance. All students are expected to attend Sunday School and at least one preaching service each Sunday. Participation in the work of young people's organizations in the churches of the city is also urged. Students are encouraged not only to attend religious services but also to take part in Christian work.

Rooming and Boarding. The College has one dormitory for women and one for men. Students who are not residents of Jackson and vicinity are required to live in the dormitories and to take their meals in the cafeteria. By special permission of the administration committee one may live with near relatives in Jackson.

Room assignments are made by the resident heads of the dormitories.

Dormitory Regulations. Each dormitory has its own Council under the direct supervision of the Resident Head.

For any change in room assignments after the first two weeks of a semester \$2.00 will be charged.

All students living in the dormitories will be required to deposit \$1.50 for a dormitory room key. This amount will be refunded at the end of the academic year when the key is returned. The deposit will be made before any student will be permitted to move into a room.

The college dormitories are closed during all the holidays observed by the college. A list of these holidays may be found in the college calendar.

Guests. For use of college guest rooms, a charge of \$1.50 per person per night is made. A charge of \$1.00 per night is made for a guest in a student room, except in case of members of a family.

Day Students. Lambuth serves annually many students whose homes are in Jackson and vicinity. Facilities are provided for day students in the classrooms, laboratories, library, recreation center, gymnasium, cafeteria, and so forth. In the cafeteria meals are furnished as required and charges are made by the meal accordingly.

Lost Articles and Possessions. The College accepts no responsibility for carelessness in the handling and safeguarding of money, valuable articles, or other personal property. Parents are encouraged not to permit the cashing of large checks by their

sons and daughters while they are attending Lambuth. They are also urged to inform themselves of any remunerative activities of their sons or daughters while they are at Lambuth. The lost and found department is located in the office of the Dean of Students.

Student Counseling Service. One of the fundamental characteristics of the small college is the opportunity for the individual student to be an individual.

Lambuth College provides counseling service, both formal and informal. Standardized tests are given to freshmen, transfers and juniors; the test results are used in planning courses of study and in counseling service. In addition, a variety of supplementary tests are available.

Every freshman and sophomore is assigned a faculty adviser, who works with him throughout the year, helping plan courses and in general acting as counselor and friend. During the junior and senior years, the student works with department heads.

An upperclassman is assigned each freshman as student adviser, to assist the process of adjustment to campus life. This is sometimes called "the big brother" and "big sister" system.

Through regular chapel services, through student devotionals and prayer meetings, and through faithful attention to its historic aims and objectives Lambuth College seeks to invoke the greatest guidance of all: the blessings of God upon its endeavor to equip young men and young women to lead useful lives.

Discipline. Lambuth College is an institution of the Methodist Church. It derives its support from the church. Its students are therefore expected to conduct themselves in a way that will honor the church which makes their education possible. Specifically, they must refrain from drinking, gambling, frequenting questionable places of amusement, and engaging in unbecoming or immoral practices of whatever kind. Matriculation in the college is considered an acceptance of all the regulations relating to the conduct of students.

Hazing is strictly forbidden. Certain forms of freshman initiation are permitted. This initiation program is planned by a special committee of the Student-Body Association and is restricted to such activities as are prescribed by this committee and approved by the Student-Body Association and the college administration.

The College reserves the right to exclude at any time, students whose attitude, conduct or academic standing it regards as undesirable, and without assigning any further reason therefor. In such cases the financial charges will not be refunded, either wholly or in part, and neither the College, nor any of its offices shall be under any liability for such exclusion.

EXPENSES

The College authorities encourage the student to practice economy in his personal expenditures and seek the cooperation of parents to this end. Every effort is made to keep the cost of a college education within the reach of every worthy and capable young man and woman. The College does not maintain a billing system to parents, but expects each student to take care of his or her account. As a part of the educational process, this procedure develops a sense of the responsibility of meeting one's obligations promptly and familiarizes the student with the investment made in his education.

When it is desired that bills be sent to parents or to guardians, the student may obtain them at the business office and forward them, but this in no way releases the student from penalties if bills are not paid as indicated in this catalogue.

Tuition and Fees. The tuition charge is \$9.00 for each semester hour for students enrolled for twelve hours or more. Students enrolled for less than twelve hours are charged \$12.50 per semester hour. The tuition charge does not include private lessons and special fees (see list of Special Services and Fees, p. 20).

A Matriculation and Student Activities Fee of \$30.00 for the year is charged all students registered in the College. The Student Activities Fee includes the following: membership in the Student Body Association; admission to college dramatic productions; class dues; admission to college athletic events; subscription to the college newspaper; membership in the Student Christian Association; subscription to the college annual; and recreational and social activities as sponsored and approved by the College.

Room and Board. The charges for room and board are listed in the summary of Expenses for Resident Students. The prices are kept as low as possible. It is because of the low charges that the College does not permit refunds on room and board due to absences, except in cases as set forth in the paragraph on refunds.

Each room in the women's dormitory is furnished with two tables, chairs, a dresser, or chest of drawers, twin beds, or a single bed and a double decker, mattresses and two closets.

In the men's dormitory each room has all of the above furnishings.

Students furnish bed-clothes, sheets, pillows, pillow slips, soap, towels, rugs and draperies as may be desired by the individual student.

The College reserves the right to change the prices of room and board if there should be a considerable increase in the cost during the scholastic year.

Charges for Special Services. (Apply only to students receiving special services).

Tuition (See page 19) for 32 semester hrs.	\$288.00
*Room and Board	
Epworth Hall for Men	\$425.00
Sprague Hall for Women	\$450.00

(Any student requesting a private room will be required to pay the full cost of the room. Such rooms will be available only in cases where the College is able to accommodate such requests.)

REGULAR EXPENSES FOR NON-RESIDENT STUDENTS

	Academic Year
Matriculation and Student Activities Fee	\$ 30.00
Tuition (See page 19) for 32 semester hrs.	\$288.00

Incidentals. The early training and habits of people vary so much that it is impossible to estimate the incidental expenses of a student for a session. Many of our students must pay part of their expenses by working, and necessity requires that they practice strict economy. All others are urged to do so.

Regulations Regarding Payments. The following rules governing payments have been established by authority of the Executive Committee of the Board of Trustees:

1. The President and Business Manager of the College have no authority to suspend, or in any way alter, these regulations.

2. Matriculation and Student Activities fee or special fees are never refunded. Tuition and Room and Board charges are refunded only as set out in the section on Refunds.

3. Students are not allowed to matriculate until the first payment is made. Any student who has failed to settle his bills on the dates advertised in the catalogue is denied the right to attend classes until his account is settled in full.

4. No student who has not settled his bill with the Business Office of the College will be allowed to take mid-semester and final examinations or obtain transfer of credits.

5. No student can be considered as a candidate for a degree until all accounts are settled in full with the Business Office of the College.

Veterans. Veterans who plan to attend college with government assistance will follow the procedure indicated above for non-veterans.

* Sales tax to be added.

Self-Help. The College offers to a limited number of students the opportunity to pay part of their expenses by performing certain tasks connected with the maintenance of the institution, such as work in the cafeteria, library, offices, and laboratories. It is possible for a few students to find places in the city where they can work for room or board. In assigning students to jobs the College takes into account the need of the student for help, his past record for faithfulness, and his fitness for the task.

Money earned in this way must be applied on the student's obligations to the College.

Refunds: Course Change. Within the period when full registration is permitted, the student may make changes in his schedule, but for each change made on his own request after this he is charged a fee of \$2.00.

When dropping a course within two weeks after the last date of registration, the student is entitled to a refund amounting to 80% of the tuition for the dropped course; within three weeks 60%; within four weeks 40%; and within five weeks 20%. If the student remains in a course over five weeks no refund will be made. In cases where another course is substituted immediately for the dropped course, no change in charges applies, provided charges for the substituted course are identical with charges for the dropped course.

Refunds: Withdrawal. The College necessarily makes financial commitments for an entire scholastic year in advance. It is imperative, therefore, that refunds be held to the minimum. Refunds will not be made except when withdrawal from College is for illness or other reasons beyond control. Requests for refund cannot be considered prior to filing of written request to withdraw as specified on page 16 of this catalogue. A student who is granted permission to withdraw and withdraws within two weeks after the date of his registration will be entitled to a refund of 80% of tuition and room and board charges due at the last scheduled payment period; within three weeks 60%; within four weeks 40%; and within five weeks 20%. If a student remains in college as much as five weeks, no refund will be made.

REQUIREMENTS FOR GRADUATION

Lambuth College offers the degree of Bachelor of Arts. One hundred twenty-eight semester hours are required for graduation. Candidates for a degree must meet General College,

Major and Minor requirements, as well as completing a seminar. A "C" average must be made on all credit hours carrying quality points.

Students who entered and were classified under the academic requirements for graduation of previous catalogs may elect to complete the requirements for the bachelor's degree which were in force at the time of such entrance and classification, provided the degree is conferred within five calendar years of the time of first entrance and classification by Lambuth College. This provision is limited to academic requirements for graduation.

The academic organization of the College is divided into a Lower Division, consisting of the first two years, and an Upper Division, consisting of the last two years. Lower Division courses are numbered 100 to 299 while Upper Division courses are numbered 200 to 499.

GENERAL EDUCATION PROGRAM

The major objective of the curriculum at Lambuth College is to give to its students a well-rounded, liberal education. It attempts to do this by introducing its students to most of those major fields of interests which are included in the humanities, social sciences and natural sciences. This program of general education is required of all students who receive the bachelor's degree. Adjustments are made for some transfer students and for students who are in the three-year professional degree program. This program of general education became effective September, 1954.

English 131, 132	6 hours	
English 301	2 hours	
At the beginning of the junior year all students will be examined by a standardized test as to their ability to write acceptable English. Demonstration of the ability to use English as a tool subject throughout the four years is a requirement for graduation. A student will not be classified as a senior until this requirement has been met. A remedial course, English 301, is offered for the benefit of students who do not pass this test. This applies also to transfers who desire to enter the upper division.

Majors and Minors:

A 24 semester hour major may be taken in Biology, Chemistry, Economics, French, History, Home Economics, Mathematics, Political Science, Spanish. Majors in English must take 30 semester hours; Elementary Education 26 semester hours; Music 40 semester hours; and Social Science 30 semester hours, 24 hours of which must be in Sociology.

An 18 semester hour minor may be taken in Biology, Business Education, Chemistry, Economics, Education and Psychology, French, Health and Physical Education, History, Home Economics, Mathematics, Political Science, Religion, Sociology, Spanish, and Speech. An English minor requires 24 semester hours and a Music minor requires 28 semester hours.

Forty percent of the work in the major and in the minor must be on the upper division level.

A student must elect a major and a minor not later than the beginning of the junior year. Elementary Education majors are not required to elect a minor.

Seminar. All candidates for graduation are required to take a seminar of ten class hours in their major subject during one of the last two semesters before graduation. In exceptional cases a comprehensive examination covering the major and minor subject may be taken in lieu of the seminar.

Correspondence, Extension, and Residence Credit. A maximum of 12 semester hours of extension credit or correspondence credit may be counted as elective credit toward a degree.

All students must spend two of the last three semesters in residence, carrying at least 24 semester hours of upper division work, and complete a seminar.

Teacher Training Courses. The courses in General Education, Professional Education, and Subject Matter Areas have been planned to meet the requirements of the State of Tennessee for both the elementary and high school certificates.

Pre-Professional Courses. Students wishing to take courses leading to agriculture, business, dentistry, laboratory technology, law, medicine, ministry, nursing, pharmacy, religious education, social service, teaching, and other professions, may lay the foundations at Lambuth College.

Inasmuch as the requirements for professional schools vary considerably as to specified entrance subjects, it is essential that the student decide early what school he wishes to enter.

Three-Year Residence Plan For A Degree. Students entering a professional school (medicine, dentistry, law) at the end of the junior year may fulfill the requirements for the Bachelor's degree by residence of three years in Lambuth College and one year in an approved professional school.

Any student following this plan must have met all the specific course requirements for his degree during his three years at Lambuth and have completed a minimum of 96 semester hours. Upon the successful completion of the first year of professional training the degree of Bachelor of Arts will be conferred.

ORGANIZATION FOR INSTRUCTION

For administrative and instructional purposes the various departments have been arranged by related fields into divisions as follows:

I. Division of Humanities

- Art
- English
- Foreign Languages
- Library Science
- Music
- Religion and Philosophy
- Speech

II. Division of Social Studies

- Business Education
- Economics
- Education and Psychology
- History
- Political Science
- Sociology

III. Division of Natural Sciences

- Biology
- Health and Physical Education
- Home Economics
- Physical Sciences
(Chemistry, Mathematics, and Physics)

Numbering System. Courses ordinarily taken by freshmen are numbered 100-199; those intended for sophomores, 200-299; those usually taken by juniors, 300-399; and those planned for seniors, 400-499. Lower division courses are numbered 100 to 299 and Upper division courses 300 to 499.

The continuation of a course for two semesters is indicated by listing two numbers. Separation of these by a comma indicates that the course may be entered either semester. Separation by a hyphen indicates that the course must be entered the first semester. Credit is allowed for the successful completion of one semester's work in a continuous course of either type.

DIVISION OF HUMANITIES

321. **Safety Education and First Aid.** Consideration of practical problems in safety with knowledge to meet problems in preventing accidents and further injury after accidents. Two hours a week. First semester. Credit, two semester hours.

PHYSICAL EDUCATION

121, 122. **Conditioning Activities.** Instruction in the techniques of play in a large number of group and individual sports. Such sports as soccer, speedball, basketball, volley ball, softball, tennis, badminton, etc., will be included in this course. Required of all freshman and transfer students who have not had a similar course. Two hours a week throughout the year. Credit, two semester hours.

212. **Tennis.** Instruction and practice in the fundamentals of tennis. Two hours a week. First or second semester. Credit, one semester hour.

222. **Golf.** Instruction and practice in the fundamentals of golf. Two hours a week. First or second semester. Credit, one semester hour.

261, 262. **Plays and Games for the Elementary Grades.** Theory and practice of plays and games that are of interest and value to elementary school pupils. This includes group games, lead up and team games, tumbling and stunts, combat activities, rhythmic activities, activities suitable for party and out of door school occasion, story plays. Two hours a week throughout the year. Credit, four semester hours.

271M. **Tumbling for Men.** Two hours a week. Credit, one semester hour. Offered upon sufficient demand.

271W. **Tumbling for Women.** Two hours a week. Credit, one semester hour. Offered upon sufficient demand.

281. **Folk Rhythms.** This course offers opportunity for the student to learn and teach the early American folk rhythms. These are vigorous activities, good group mixers and especially suited for community recreation use. Two hours a week. Credit, two semester hours. Offered upon sufficient demand.

291A. **Elementary Swimming.** In this course instructions are given in elementary strokes, beginning dives, and all-round knowledge of deep water swimming. Two hours a week. Credit, one semester hour.

291B. Intermediate Swimming. A continuation of Physical Education 291A, offering the students an opportunity to progress in the various water skills. Successful completion of this course requirements leads to certification by the Young Men's Christian Association and the American Red Cross. Two hours a week. Credit, one semester hour.

291C. Methods of Teaching Swimming and Diving. Instruction in methods of teaching the various strokes, dives, life saving and water safety. Successful completion of this course requirements leads to certification by the Young Men's Christian Association. Two hours a week. Credit, one semester hour.

The above courses 291 A, B, C, will be offered upon sufficient demand and in numbers satisfying the requirements of the Y.M.C.A. authorities. A fee for the use of the Y.M.C.A. pool will be charged.

321, 322. The Games Program. Selection practice, practice teaching, and adaptation of games for physical education use in the secondary schools. This includes individual gymnastics, plays, games and relays, rhythmical activities (festivals), self-testing activities, fundamental skills, out-of-door camping activities, activities for the handicapped, team games. Two hours a week throughout the year. Credit, four semester hours.

331. Principles of Health and Physical Education. The basic sciences of anatomy, bacteriology, physiology, psychology, applied to health and physical education. Two hours a week. First semester. Credit, two semester hours.

412. Athletic Coaching. Basketball fundamentals studied from a coaching standpoint. Two hours a week. Second semester. Credit, two semester hours.

HOME ECONOMICS

MRS. COBB

A major in Home Economics consists of twenty-four hours in Home Economics (excluding H. Economics 221), and one year of Biological Science and one year of Physical Science.

101. Applied Arts and Crafts. Fundamental principles of good design in the home, such as: clothing, dress accessories, interiors, house furnishings, etc. Practical problems undertaken. Two hour laboratory, one hour lecture. First Semester. Credit, two semester hours.

121. Food Preparation. Principles of the selection, preparation and serving of foods. One hour lecture, four hours laboratory each week. First Semester. Credit, three semester hours.

122. Meal Planning and Table Service. Menu planning, marketing, meal preparation and table service. Prerequisite: Home Economics 121. One hour lecture, four laboratory. Second semester. Credit, three semester hours.

221, 222. **Personal and Family Living.** (See Health 111-112.)

251-252. **Clothing Selection and Construction.** Fundamental principles of selection and construction applied to garments of various fabrics. Elementary textile study as related to fabric selection. One hour lecture and four laboratory hours a week throughout the year. Credit, three semester hours.

341, 342. **Home Equipment and Furnishings.** Selection, operation, care, repair, and cost of household equipment; home planning, selection and arrangement of furnishings. Two hours lecture and two hours laboratory throughout the year. Credit, six semester hours.

351. **Home Nursing.** This course provides training in the promotion of family health, prevention of accidents and illness and care of the sick in the home. Planned to meet the certificate requirements of the American Red Cross. Four laboratory hours a week. First semester. Credit, two semester hours. Offered upon sufficient demand.

352. **Clothing for Children.** Problems in the selection, construction and care of clothing for children at different age levels. One hour lecture, four hours laboratory per week. Second Semester. Credit, three semester hours.

361. **Textiles.** A practical consumer study of fabrics used for clothing and home furnishings, including, selection, use and care. One hour lecture, two hours laboratory per week. First semester. Credit, two semester hours.

411. **Tailoring.** A detailed study of selection, fitting, and construction of wool suits and coats. Prerequisite: Home Economics 251 and 252. Six laboratory hours. First semester. Credit, three semester hours.

412. **Advanced Cookery.** This is an opportunity for further study in foods and advanced methods of preparation. Meal planning and preparation for special occasions and formal and informal meals. Prerequisites: Home Economics 121 and 122. One hour lecture, four hours laboratory. Credit, three semester hours. Offered upon sufficient demand.

441. **Child Development.** Constructive methods in the guidance and rearing of children. Observation in Nursery Schools. Two hours laboratory, two hours lecture. Credit, three semester hours.

442. **Home Management.** In this course, the art of being an efficient, gracious homemaker is emphasized. The total role of the homemaker is studied, including such responsibilities as planning and recording family expenditures and the management of time and energy. Three hours a week. Second semester. Credit, three semester hours. Offered upon sufficient demand.

PHYSICAL SCIENCES

MR. CUMMINGS

CHEMISTRY

Students who major in chemistry will be required to take Mathematics 121-122 and Physics 221-222. It is recommended that students planning to take graduate work in chemistry also take Mathematics 221-222, German 121-122 and 211-212.

122. Introduction to Physical Science. A survey course in Chemistry, Geology, and Meteorology. Three lectures and a two-hour laboratory period each week. Second semester. Credit, four semester hours. (See Physics 121, for the first semester of the course.)

131-132. General Chemistry. A general study of chemical principles and their application. Material is largely inorganic although some reference is made to both organic and analytical chemistry. This course is designed to furnish the basic knowledge of chemistry required for professional courses such as medicine, dentistry, nursing, engineering, etc. Some mathematics is advisable for students planning to take chemistry courses beyond Chemistry 132. The second semester is a continuation of 131 with additional emphasis on analytical chemistry. The laboratory work consists largely of beginning qualitative analysis of both cations and anions. Three lectures and one laboratory period of at least two hours per week throughout the year. Credit, eight semester hours.

221. Semimicro Qualitative Analysis. An intensive study of more advanced inorganic chemical principles and the theory and practice of qualitative analysis on a semimicro basis. Laboratory work consists of intensive analysis of both common cations and anions. Prerequisite: Chemistry 131-132. First semester. Two lectures and a minimum of four laboratory hours each week. Credit, four semester hours.

222. Elementary Quantitative Analysis. A study of the theory and practice of both volumetric and gravimetric methods of quantitative analysis. A study of some of the more important physiochemical methods, such as electrolytic and colorimetric are included. Prerequisites: Chemistry 131-132. Mathematics 121 is highly desirable. Two lectures and a minimum of four laboratory hours each week. Second semester. Credit, four semester hours.

321-322. Organic Chemistry. A study of the essentials of aliphatic and aromatic organic chemistry. Important types of compounds, their preparation and significant reactions are studied. Laboratory work consists of the preparation and study of properties of representative organic compounds. Prerequisites: Chemistry 131-132. Three lectures and one laboratory period of at least two hours per week throughout the year. Credit, eight semester hours.

431. Advanced Analytical Chemistry. A study of special methods of both qualitative and quantitative analysis of some of the less common elements as well as the more common ones. Emphasis is placed on handling of materials as they occur rather than on carefully prepared simple substances. Prerequisites: Chemistry 221-222 and Physics 221-222. First semester. Credit, four semester hours. Offered upon sufficient demand.

432. Organic Preparations and Analysis. A course designed to aid the student in becoming familiar with more involved methods of preparing complex organic compounds. Also to train the students in analysis and ultimate identification of various types of organic compounds. Prerequisites: Chemistry 321-322. Students enrolled in Chemistry 322 may, with the consent of the instructor, enroll in this course. Second semester. Credit, two or four semester hours. Offered upon sufficient demand.

451-452. Physical Chemistry. A course dealing with the fundamental laws and theories as applied to gases, liquids, solids and solutions. Thermochemistry and thermodynamics, reaction kinetics and equilibrium, and electrochemistry are also studied. Prerequisite: Chemistry 222 and Physics 222 or the equivalent. Three lectures and two laboratory periods each week throughout the year. Credit eight semester hours. Offered upon sufficient demand.

MATHEMATICS

102. Engineering Drawing. Four hours a week. Second semester. Credit, two semester hours. Offered upon sufficient demand.

121-122. First-year Mathematics. First semester: College Algebra, including logarithms, slide rule, and Trigonometric functions. Second semester: Trigonometry and Analytic Geometry. Prerequisites: One unit each of high school algebra and plane geometry. Five hours a week throughout the year. Credit, ten semester hours.

221-222. Differential and Integral Calculus. Prerequisite: Trigonometry and Analytic Geometry. Four hours a week throughout the year. Credit, eight semester hours.

421-422. Differential Equations. Prerequisite: Differential and Integral Calculus. Three hours a week throughout the year. Credit, six semester hours. Offered upon sufficient demand.

PHYSICS

121. Introduction to Physical Science. A survey course in Descriptive Astronomy and the underlying principles of Physics. Three lectures and a two-hour laboratory period each week. First semester. Credit, four semester hours. (See Chemistry 122 for second semester of the course.)

221-222. General Physics. Mechanics, Heat, Sound, Magnetism, Electricity, and Light. Prerequisite: College Algebra, or concurrent registration in Mathematics. Three lectures and two laboratory hours each week throughout the year. Credit, eight semester hours.

Part II

General Information

The College does not accept responsibility for damage by fire or theft nor injuries which may be suffered by students in dormitories, laboratories, or elsewhere on College property; or in intra-mural or other athletic contests or in physical education; or in the course of trips or other activities sponsored by the College or any individual or group related to it, either as field trips for instructional purposes or in connection with extracurricular activities.

However, the College makes available to all students keys for their rooms and, for those desiring protection against accidents, insurance at a nominal cost, covering any accidents that may occur from the time students leave home in the fall until their return after commencement.

Visitors are always welcome at Lambuth College. Buildings and offices are open except Saturday afternoons, Sundays, and holidays. If prospective students, their parents, or others write in advance of their visit to the campus, they will be provided a guide. Interviews with administrative officers or with professors in the students' particular field of interest will also be arranged if desired.

HISTORICAL BACKGROUND

Lambuth College, a four-year coeducational college of The Methodist Church, expanded between 1920 and 1924 from the cultural heritage of an institution widely known in the South for more than three-quarters of a century.

It was on December 24, 1843, that the Memphis Conference received a charter from the General Assembly of the State of Tennessee for the Memphis Conference Female Institute, which, with the exception of one year during the War between the States, served students of Tennessee and several adjoining states until 1920.

In November, 1921, the Memphis Conference, in annual session at McKenzie, Tennessee, decided to establish a coeducational institution of standard college grade. Accordingly, the Memphis Conference Female Institute charter was amended on January 3, 1923, providing for coeducation and changing the name to Lambuth College.

The M. C. F. I. property consisting of five acres on East Chester Street (including the site of the present-day Armory) was sold, and the present site on Lambuth Boulevard was purchased. The large building, known now as the Administration building, was erected. Dr. Richard E. Womack was elected president May 12, 1924, and the College began serving both young men and young women on September 10, 1924.

At the annual meeting of the Tennessee College Association in April, 1927, Lambuth was admitted to membership in this organization. Lambuth has been given full certification privileges by the State Board of Education of Tennessee, and several other states recognize the college as an institution for the training of teachers.

As a four-year liberal arts college, Lambuth sends a large number of its graduates on to the leading universities and professional schools for graduate and professional study. The University Senate of the Methodist Church approves Lambuth College as an institution for the preparation of young ministers.

On September 3, 1952, Dr. Womack tendered his resignation to the Board of Trustees and became president emeritus. At the same time Dr. Luther L. Gobbel was elected president of the College. President Gobbel assumed the duties of the office on October 13, 1952.

On February 3, 1953, at a special session of the Memphis Conference, a campaign for funds for the development of Lambuth College which had been previously approved by the Annual Conference was officially launched. This campaign undertook to add at least \$1,000,000 to the capital assets of the College for buildings and endowment. In less than two months this target sum was subscribed, and by the end of April over \$1,335,000 had been pledged. Thus the campaign exceeded its goal by over 33 1/3 per cent. In recognition of its extraordinary service to the College through this campaign, the Memphis Conference was cited by the editors of *Who's Who in America* in their Eighth Biennial Citations for Exceptional Educational Philanthropy. This is the only group in the entire country thus cited for the 1953-54 biennium.

In December, 1954, Lambuth became a member of the Southern Association of Colleges and Secondary Schools and in January, 1955, a member of the Association of American Colleges.

BUILDINGS AND EQUIPMENT

Reconstruction and renovation of old buildings and equipment, the construction of a new dormitory for women, and the purchases of much new laboratory, classroom, library, cafeteria, kitchen, and other equipment in 1953-54 give Lambuth thoroughly modern facilities. Its buildings are predominantly of Georgian colonial architecture.

Location. Geographically Lambuth College has an ideal situation. Jackson, a city of about 38,000 people, is in the heart of the Memphis Conference territory. It is reached by three railroads and by U. S. highways Nos. 20, 45, and 70. It is a city of churches, schools, and numerous wide-awake civic organizations. Jackson is accessible to hundreds of prospective college students, many of whom attend Lambuth College from home by train, bus, airplane, or private conveyance.

Campus. The campus, consisting of twenty-two acres, lies on the west side of Lambuth Boulevard in the northwest part of the city. It is one of the most beautiful spots in Jackson.

The Administration Building, erected in 1923-24 and completely renovated and remodeled in 1953, is a four-story fireproof structure. It contains, on the ground floor, a modern cafeteria and kitchen; on the first floor, administrative offices and library; on the second floor, classrooms, offices, and auditorium; and,

on the third floor, science and business laboratories, classrooms, and offices.

Library. The library wing of the Administration Building consists of a reading room with shelving for reference books and bound periodicals, a well-lighted stack room with adjustable steel shelving for books, a smaller periodical stack room for unbound magazines and newspapers, a vault for the more valuable possessions of the college, and the librarian's office. The growing book collection, carefully selected and thoroughly cataloged, contains titles adequate for the courses offered. It is increased each year as new courses come into the curriculum and new books, pertinent to the courses already offered or valuable for general education and recreation, are published. The library, by subscription and gift, offers some 150 periodicals and newspapers to the students for assigned, instructional, and recreational reading.

Epworth Hall, dormitory for men, is also a four-story fire-proof building, with rooms for 110 students. Built in 1929-30, it, too, was thoroughly renovated and redecorated in 1953.

Sprague Hall, dormitory for women, was erected in 1953. It contains rooms for 112 students. It consists of three complete floors containing bedrooms, parlors, lounges, and other conveniences for comfortable, gracious living and of a ground floor in the western half of the building with facilities for the home economics department, including a foods laboratory, a clothing laboratory, and a dining room, kitchen, and breakfast room for the home management house.

The Student Building, a two-story brick veneer structure built in 1947-48, contains a recreation room for students, offices for student publications, the College bookstore, restrooms, and a storeroom.

The Physical Education Building, constructed in 1947-48, is a beautiful brick structure. The central portion is a spacious gymnasium, with folding bleachers. The two wings contain offices, shower rooms, locker rooms, supply rooms, game rooms, dark room for photography, and a reception hall. Adjacent to this building is the athletic field, tennis courts, track, baseball field, and space for other games and recreational sports.

President's Home. The President's home is located at 450 Roland Avenue. It was purchased by the College in 1953.

The Chapel, completed in 1957 and occupying a commanding position on the campus, emphasizes the centrality of religion in the life of the College. Members of the Woman's Society of Christian Service of the Memphis Conference made the first contribution toward the cost of the structure. The building is entirely air conditioned. The Chapel is adaptable and is used for worship, drama, and chapel services.

Fine-Arts. The fine-arts wing of the chapel was also completed in 1957. It contains music and art studios, practice rooms, rehearsal rooms, and storage facilities.

STUDENT ORGANIZATIONS AND PUBLICATIONS

Certain forms of extra-curricular student organizations are maintained and promoted in the College. The College recognizes that there is an important phase of a liberal education which can come only through activities outside the classroom. The following associations and clubs are officially recognized by the College.

Students desiring to organize a new club must present their petition to the Student Advisory Committee of the faculty with the signature of all charter members. If approval is secured, the new club may operate a year on probation. If at the end of this time it is found in good standing, it shall be entitled to the full privileges of Lambuth College clubs.

Organizations and clubs not complying with the regulations for extra-curricular activities are not permitted to operate in the College.

DEPARTMENTAL CLUBS

Departmental Clubs are organized for the purpose of promoting, conserving, and strengthening the interests represented by each field.

The Home Economics Club is composed of home economics students. It aims to stimulate interest in home making and to establish home-making ideals. It aims also to foster appreciation of home making and to encourage leadership in home and community life.

The Music Club comprises students of music and any other interested persons. Its activities give opportunity for program appearances.

The Dramatics Club is open to all interested students in addition to students of speech and dramatics. This club produces plays and sponsors visiting drama groups.

The Science Club is composed of science majors and minors, and others showing special interest in science. Its programs are both educational and entertaining.

Student National Education Association—The Ruth Marr Chapter of the Student National Education Association is composed of students interested in becoming teachers. Local membership provides junior membership in the National Education Association and the Tennessee Association.

The Ministerial Association provides ministerial students a place to discuss problems peculiar to their work. It aims to further growth and development of this group.

Lambda Iota Tau, honorary fraternity for majors or minors in English or foreign languages who have a scholastic average of B and meet other requirements set by the National Governing Board.

OTHER STUDENT ORGANIZATIONS

The "L" Club is made up of students who have been awarded letters for participation in sports. Its aim is to promote amateur athletics in the College and to foster ideals of good sportsmanship.

Student Body Association is an organization of the entire student body, which aims especially at fostering college spirit, and through which the students act collectively.

The Student Christian Association helps promote a program of religious activities. Through its committees it carries on such activities as weekly vesper services, social service work, and world friendship projects. In cooperation with the College, it sponsors such things as Religious Emphasis Week and the visits of outstanding religious leaders to the campus. All students are urged to belong to the SCA and to participate in its activities as a part of their college experience.

Social Clubs. There are three recognized social clubs for women and three for men. Membership is by invitation. These Clubs are under the supervision of the Dean of Students and the Panhellenic Council, as well as sponsors who act individually and as members of the Panhellenic Council.

PUBLICATIONS

The New Vision is the student newspaper. It is published by a staff elected by the students.

The Lantern is the college annual. It is managed jointly by the administration and the students.

The Lambuth Messenger, the organ of the College administration, is published quarterly. It carries to the alumni and other friends of the college, news of important happenings on the campus and special articles dealing with the aims, purposes, and educational philosophy of the institution.

LOAN FUNDS, SCHOLARSHIPS, AND MEMORIALS

Various funds have been donated to Lambuth College through the years for specific purposes. These restricted funds are to be used usually either as scholarships or loans to deserving students.

Additional scholarships are provided from time to time by various groups and friends of the College, which co-operate with students needing help to enable them to obtain it, either through scholarships, loans, or self-help, or a combination of these means of assistance.

No student may be eligible for more than one unendowed scholarship in any given year.

No student interested in a college education should permit financial problems to deter him until he has first brought his case to the attention of the President of Lambuth College.

LOAN FUNDS

The Mattie Rice Walker Loan Fund. This is an endowed loan fund established in 1944 by the late C. M. Walker, of Dyersburg, Tennessee, the income from which is to be used to assist worthy Dyersburg High School students in meeting their expenses at Lambuth College. The recipient of the loan is determined annually by a committee of the high school faculty. In case there should be no applicant from the Dyersburg High School, the College has the privilege of selecting some other worthy boy or girl, preference to be given to a ministerial student. The beneficiary of the loan shall make a non-interest bearing note. When the loan is repaid, the money is to be turned back into the loan fund, to be reloaned. It is one of the conditions that the recipient shall neither use tobacco in any way nor drink spiritous liquors while benefiting from this fund.

Jackson First Church W. M. S. Loan Fund. In 1931 the Woman's Missionary Society of the First Methodist Church, Jackson, Tennessee, gave \$500.00 toward establishing a loan fund for worthy students.

Lillian Howard Murphy Sunday School Class Loan Fund. This loan fund of \$120.00 was provided by a class of young women of the First Methodist Church, Jackson, taught by Mrs. Lillian Howard Murphy.

W. P. Prichard Loan Fund. The late Rev. W. P. Prichard of Murray, Kentucky, established a loan fund for worthy students which now amounts to \$1,000.00.

Clem Wadsworth Student Loan Fund. In 1938 Mr. Clem Wadsworth of Ripley, Tennessee, established a \$500.00 loan fund for the benefit of students who expect to engage in full time religious work.

Dr. and Mrs. George Lacy Loan Fund. This fund was established as the Sallie Parker Lacy Loan Fund in 1944 when \$300 was given by Mrs. Lena Lacy Murdoch, Mrs. Sudie McNeill, and Miss Ester Hunt. In 1954 \$250 was added by her children D. Luther Lacy, Lena Lacy Murdoch and granddaughter Susie McNeil Mainord.

Harold Council Loan Fund. This fund of \$500 was established in 1947 in memory of Harold Willard Council, a former student in Lambuth College, who was killed in action on November 23, 1944. Members of the Council family and of the Nicholas family, of which his wife is a member, contributed to the fund.

Mrs. C. A. Baker Loan Fund. This fund of \$100 was established in 1947 by Mrs. C. A. Baker, the former Ruth Wade, in memory of her parents, Mr. and Mrs. J. G. Wade, of Cayce, Kentucky.

Omega Upsilon Lambda Alumnae Loan Fund. This is a loan fund of \$100 established in 1950 in honor of Miss S. V. Clement. It is available to women students of the college.

The Henry M. and Lena Meyer Kahn Scholarship Loan Fund. By the will of the late Jacob M. Meyer, of Memphis, Tennessee, the Kahn Trust Fund was established, part of the income from which is to be made available for student loans. The Trustees of the Kahn Foundation have allocated \$1,000 of this to Lambuth College, to be used as a revolving loan fund. Loans will be made in keeping with the conditions laid down by the trustees.

Allen Crawford Loan Fund. A loan fund of \$403.00 has been established by the Willing Workers Sub-District of the Methodist Youth Fellowship of the Brownsville District in memory of Allen Crawford. This fund is to be used in aiding ministerial students or other full-time Christian workers from this Sub-District.

R. W. Hood Loan Fund. Members of the family of the late Reverend R. W. Hood have established a \$900.00 revolving loan fund, for the use of worthy students, preferably those who expect to enter full-time Christian service. No interest on the loans will be charged.

Miscellaneous Funds. Several other small loan funds have been provided at various times by the following: The late Mrs. Drusilla McCutcheon and Reverend E. L. Robinson, who established the first loan fund; Mrs. Florence Collins, of St. Petersburg, Florida, in memory of her son; Mr. L. E. Arnn, of Martin, Tennessee; the Chi Omega Alumnae Chapter of Jackson; the late Mrs. Mary Alice Vaughan; Good Samaritan Club of Broadway Methodist Church, Paducah, Kentucky; Mrs. L. W. Carmichael and family, establishing the Lucy Shannon Weaver Loan Fund; Fountain Avenue Methodist Church, Paducah, Kentucky; The Mr. and Mrs. W. H. Mainord, Sr. Loan Fund, set up in honor of Mr. and Mrs. W. H. Mainord, Sr. and in memory of Miss Mary Frances Yarbrough; and Rev. J. K. Pafford. These funds have all been administered in keeping with the wishes of the donors.

SCHOLARSHIPS

Adine M. Taylor Scholarship. This scholarship was established in 1930 by the late Mrs. Adine M. Taylor of Paducah, Kentucky, who bequeathed to the college \$3,000.00. The interest on this amount is used to support the scholarship.

Eliza Bowe Curtsinger Scholarship. This scholarship fund of \$1,000 was contributed in 1935 by the late Mrs. Eliza Bowe Curtsinger of Bardwell, Ky. The interest on this amount is used for the benefit of some ministerial student.

Annie Lou Jones Scholarship. By her will the late Miss Annie Lou Jones, of Jackson, Tennessee, left an apartment house to Lambuth College. The income from this property is to be used to pay the tuition of worthy students. The fund was established in 1941.

The Cora Edwards Scholarship. The sum of \$2,000 was left by the late Miss Cora Edwards to endow a scholarship for Jackson students.

The Oxley Scholarship. A scholarship of \$100 is offered in alternate years by the Sunday school class of Lambuth Memorial Church, in honor of the teacher, Professor A. D. Oxley. In awarding it, preference is given to biology majors.

Honor Scholarships. The scholarship for a high school valedictorian is \$200. Of this amount \$125 will be credited on tuition during the first year, \$62.50 per semester. The remaining \$75 will be credited the second year, or \$37.50 per semester. These scholarships will not be given after the opening of the second regular college session following the graduation of the honor student from high school.

The scholarship for a high school salutatorian is \$150. Of this amount \$100 will be credited on tuition during the first year, or \$50 per semester. The remaining \$50 will be credited the second year, or \$25 per semester.

May Scholarships. By the will of the late Myrtle May of Humboldt, Tennessee, the Myrtle May Scholarship Fund was established. This fund, which amounts to approximately \$18,700, is to be used for aiding able and worthy students to attend Lambuth College.

Fellow-Workers Bible Class Scholarship. During the 1951-52 session the Fellow-Workers Bible Class of the First Methodist Church, Memphis, Tennessee, gave \$400.00 to be used as a scholarship fund for worthy students, preference to be given to members of the congregation of the First Methodist Church in Memphis. The Fellow-Workers Class expects to contribute this amount annually for this purpose.

Tri-Mu Scholarship—Memphis. The Tri-Mu Sunday School Class of Union Avenue Methodist Church, Memphis, Tennessee, has established a scholarship of \$400 for the assistance to young men and young women, preference to be given to those interested in religious education as a vocation.

W. S. C. S. Scholarship Fund. The Woman's Society of Christian Service of the Memphis Conference in 1953 gave to

Lambuth College \$10,000 as a scholarship fund, the income from which is to be used to aid deserving young women as students in the College, preference to be given to those who plan to enter full-time Christian service under the auspices of Woman's Division of the Board of Missions. This sum was increased to \$14,000 in 1955 and to \$17,000 in 1956.

National Methodist Scholarships. A number of scholarships from the Board of Education of the Methodist Church are available each year for Lambuth students.

The Kate T. Parnell Scholarship Fund was established in 1954 by Mrs. Kate T. Parnell, of McKenzie, Tennessee, the income from which is to be used as a scholarship, the recipient to be named by the College.

The Pigford Scholarship Fund. The Sally Person Pigford Scholarship Fund was established in 1956 by Mrs. Pigford, of Jackson, who gave Lambuth College \$5,000 in memory of her late husband, Clarence E. Pigford, the income from which is to be used for the education of worthy students in Lambuth College. The recipients are to be chosen by the College's Committee on Scholarships and Student Aid from applicants adjudged most worthy, on the basis of character, scholarship, and promise of future usefulness.

Scholarships to Ministerial Students. Lambuth College offers to ministerial students a scholarship of \$100 if they qualify for the "Ten-In-One" Scholarship Fund of the Memphis Annual Conference. To be eligible for the \$100 Conference scholarship the applicant must be a licensed minister of the Memphis Annual Conference, agree to serve in the Memphis Annual Conference for as many years as aid is received, and maintain a scholastic average of C.

All licensed Methodist ministers not holding charges are eligible. Married men holding charges paying not more than \$2,100 are eligible. Single men holding charges paying not more than \$1,600 are eligible. Application for such scholarships is made to the Board of Ministerial Training of the Memphis Annual Conference. Upon approval of this board for the "Ten-In-One" Scholarship, the applicant then makes application for the Lambuth Ministerial Scholarship.

Other ministerial students may be given a concession of \$30 to \$50 per semester upon application to Student Aid Committee. Those carrying a load of less than twelve hours pay at the same rate as other part-time students.

For a student to be classified as a ministerial student he must hold a license to preach from the Methodist Church or a statement from the proper authorities of another denomination that he has taken the beginning steps required of one who enters the ministry.

Scholarships to Children and Wives of Ministers. A concession of \$50 per semester is given to children of active ministers and to wives of ministers.

MEMORIALS

Riddick Endowment Fund. In 1954 Lambuth received a bequest of 45 acres of farm land near Maury City from the estate of the late Rev. Stacy Riddick. This bequest, valued at \$10,000, is a part of the College's general endowment fund.

Nannie Wynn Walker Memorial Fund. A tract of over 124 acres near Tiptonville, Lake County, Tennessee, was deeded in 1953 to Lambuth College by Rev. Sam F. Wynn as a memorial to his sister, Nannie Wynn Walker. This property has been made a part of the College's endowment fund.

The Eddie Mae Bibb Wadsworth Memorial Fund. Dr. H. M. Wadsworth of Hernando, Mississippi, gave in 1953 \$1,000 as a memorial to his mother and designated the memorial as The Eddie Mae Bibb Wadsworth Memorial Fund. Dr. Wadsworth directed that this sum be added to the College's General Endowment Fund.

AWARDS

Omega Upsilon Lambda Award. Each year the Omega Upsilon Lambda Sorority awards a silver loving cup to the student who has rendered the largest service to the college during his connection with it. FORM OF BEQUEST

Lambuth College is dependent upon the continued interest and support of its friends. For the convenience of those who desire to make Lambuth a beneficiary in their wills, the following legally correct form for this purpose is suggested:

I hereby give and bequeath to **Lambuth College at Jackson, Tennessee**, a corporation organized and existing under the laws of the State of Tennessee, the sum of Dollars
(or stocks, bonds, tracts of land, or other designated property or portion of estate), the principal and income, or either of them, to be used as its Board of Trustees shall determine.
